Dear Friends,

MyZouk's International Zouk Day 2019 – Fundraising for The National Autism Society of Malaysia (NASOM)

On behalf of NASOM, we would like to urge you to participate in the International Zouk Day (IZD) 2019 organised by volunteers from MyZouk.

The National Autism Society of Malaysia (NASOM) is a society formed in 1986 by a group of parents and professionals with the aim to deliver lifelong services to the community of persons suffering from autism. It was registered on 3rd March 1987 as a national charitable organization and it strives to provide a range of support services to assist people with autism, especially children and their immediate family members.

We are grateful that MyZouk has chosen NASOM as the beneficiary of this event as part of their continuing efforts to raise funds for charities while building local Zouk social dance scene. As part of their fundraising campaign for NASOM, MyZouk is organising International Zouk Day 2019 'Dance for Charity' on **21 September 2019** and offering dance training to all participants and donors who register for the event at MyZouk.com.

The event registration fee of RM60 includes an event T-shirt as well as a donation pledge card which participants may use to help raise donations for NASOM. Tax exempt receipt for the donated for the donation amount will be issued upon request.

We hereby thank MyZouk for organising this unique fundraising campaign where participants get the opportunity to have fun learning Zouk social dancing and the same time making a lasting impact in the community by raising funds for NASOM.

Yours sincerely,

Syahrina Manaf
